AS HIS MOTHER USED TO DO.
He criticized her puddings, and found fault with her cake;
He wished she'd make such biscuits as his mother used to make;
She didn't wash the dishes and she didn't make a stew,
Nor never mend his stockings as his mother used to do.
His mother had six children, but by night her work was done;
His wife seemed drudging always, yet she only had the one.
His mother always was dressed, his wife would be so, too.
If only she would manage as his mother used to do.
Ah, well! She was not perfect, though she tried to do her best.
Until at length she thought her time had come to have a rest;
So when one day he went the same old rigmarole all through,
She turned and boxed his ears, just as his mother used to do.

MISS BARBOUR'S RECITAL

Program of Vocal and Instrumental Music Last Evening

At the request of her friends, Miss Elizabeth Barbour, daughter of Rev. and Mrs. John Barbour, last evening gave a delightful recital in the Sunday-school room of the First Presbyterian Church.

She was assisted by Miss Florence P. Wadsworth, whose sweet voice was never heard to better advantage. Miss Wadsworth wins new admirers at every entertainment in which she takes part, and as a vocalist she has an established place in the hearts of the music-lovers of this city.

Maysville can now claim some exceptionally fine pianists in the younger set, with Miss Elizabeth Barbour in the lead, evidenced by her playing last evening.

The grace and skill of her execution delighted her audience, her selections being most charmingly rendered.

Her program follows—
Sonata—C. op. 10 No. 1 Allegro. Adagio. Prestissimo. Beethoven
Miss Barbour
"Oh, That We Two Were Maying" Nevin

The Epworth League Literary Club held the closing meeting of the year last night at the Third Street M. E. Church. The feature of the evening was a paper by Mrs. Chaplain Nave of Fort Thomas on the Philippine Islands. All the members responded at roll call with a quotation from a favorite author. Icos and cakes was served and all-together the evening was a social success.

What has become of the matter of putting down new pavements on the North side of Fourth street, beginning at Cherry alley and going East? It seems that Council took action in this matter several months ago, but there is not the least sign of any work being done. What is the use of taking up the time of Council with such affairs if you do not intend to enforce your own mandates.

WHEN PEOPLE ASK US WHY!

It is that we are always busy we can but tell them that we value our people's friendship and make it lasting and well merited by our earnest endeavors to give absolute satisfaction at all times. Those who have traded in our house for "Decades" can best testify to the truth of this statement.

Our hot weather clothing for June and July is now on our tables. Alpaca and Drap de tes Coats and vests for the modest, quiet dresser, serge suit for the more aggressive dresser. Crash suits in lots of patterns for the up-to-date fellow. Want you to see them.

Our negligee shirts, fancy half hose, (Lord and Taylor's line) straw and Panama Hats; Rufus Waterhouse Co. neckwear, Wilson Bros. underwear and all other furnishings are worthy of your consideration.

Judging from the number of Shoes we are selling we do not wonder that our Clothing Department is showing some signs of jealousy of the Shoe Department.

When we moved to Maysville three years ago we were told that the reason Maysville could not sell lots of drygoods and nice goods that most every lady in town did her shopping in Cincinnati. (From the stocks carried here then why we couldn't blame them.) All the merchants of Maysville used to line up on Market street every night when the 8 o'clock train arrived to see the people pass by with their arms full of packages. We knew the remedy and applied it. The best stock in Northern Kentucky is here, and Maysville trades with us; in fact, it's a rare sight to see a lady with a package from Cincinnati. The C. and O. Railroad has bowed its head in defeat. We have inside information that after June 5th there will be no more 8 o'clock train.

The report comes from Indiana that out in that strange country a barber died of lockjaw. It may be so; but it's a ten-to-one shot that Maysville can't duplicate the trick.

The sight of the millions of Uncle Sam's gold that was dumped down there in payment for the Isthmian Canal, was probably the cause of Panama adopting the Gold Standard. The Panamasee hadn't seen so much real money for a long while.

The Court of Appeals knocked the late unlamented Legislature galley-west-and-crooked in the Beckham county case, but it mustn't think it's the only Court on the pike. Judge BERRY of Newport has decided that the law prohibiting shaving on Sunday is unconstitutional; and it remains to be seen what the Legislature is going to do about it.

THE LEDGER extends its sincerest sympathy to Messrs. FRIEL & FORGEY by reason of the almost total destruction by fire on Saturday evening of the splendid printing plant of The Ashland Independent. And while sympathy will not replace the loss, it is pleasing to note that substantial aid was soon at hand, and through the courtesy of Editor LONG of The Huntington Advertiser. The Independent was enabled to issue on Monday—not missing a single number. With magnificent courage Messrs. FRIEL & FORGEY announce that they will rise from the ruins with a new plant and redoubled energy.

At Cynthiana, in the cases of the Commonwealth of Kentucky v. Judge French and Sheriff Callahan, indicted for subornation of perjury, and James Bach, indicted for perjury, Special Judge COOPER granted a motion of the defendants for a change of venue to the Montgomery Circuit Court, of which ALLIE W. YOUNG, Chairman of the Democratic State Central Committee, is the presiding Judge. It will be recalled that the defendants are Breathitt county officials, whose offense was violating the election laws for the benefit of the Democratic party; and as they are now to be tried by the proprietor of that party—why, of course, there's no politics in the Courts of Kentucky.

Political Pickings

MORE BAD FAITH.

Grayson Tribune.

The Old War Horse of Kentucky Republicanism has again been snubbed. The recent State Convention passed a motion that the first Republican Governor in the South

since reconstruction days should second the nomination of Theodore Roosevelt.

Those arranging the program, however, ignore the request and go down among the Georgia rebels to get a long-haired author, who nobody ever heard of before, to do the speaking for us Southrons.

Such methods only make our beautiful Southland more surely Democratic.

The Government, with great magnanimity, has remembered the boys who fought its battles, and it is equally fitting that a party should honor those who nurtured it in its early days and made sacrifices that it might gain permanent foothold in this Southern section.

The plain, common people revere the name of these leaders, and any insult aimed at them reverberates through the ranks of those who respect fair play, and a mark is left that takes time to obliterate.

COURT'S OPINION

Suit of the Commonwealth vs. The Adams Express Company

In reversing the suit of the Commonwealth v. the Adams Express Company, from this county, the Court of Appeals, by Judge Nunn, handed down the following opinion—

First—Franchise Taxation—Auditor's Agent—Right to Institute Action.—Under Sections 4077, 4079, 4080, 4084, 4090, 4241 and 4260, Kentucky Statutes, providing the way and means in which the Board of Valuation and Assessment may determine the valuation of a franchise of corporations, and the duty of the Auditor in apportioning and certifying the same to the Clerks of the counties in which the franchise is exercised, a proceeding instituted by the Auditor's Agent in the County Court of Mason county, alleging that appellee, Adams Express Co., is a quasi corporation and common carrier, and had continuously for the years 1896 to 1902, inclusive, done business within this state and exercised its franchise therein, and in Mason county, and had failed and refused to report and list its franchise and pay the tax thereon for any of said years, and that the value of its franchise for said years was \$1,463,040, and in Mason county \$26,000, is not demurrable in the County or Circuit Court on the ground that the franchise is not liable to be assessed for taxation by any Court, but could only be assessed by the action of the State Board of Valuation and Assessment.

Second—Omitted Property—Jurisdiction of Courts—Proceedings.—Kentucky Statutes, Sections 4241 and 4260, make it the duty of the Auditor's Agent to see to it that omitted property be valued and listed for taxation, and to invoke the aid of the Courts for that purpose, and while it was the intention of the Legislature to authorize the County Courts of such counties only, in which the corporation exercised its franchise, to take jurisdiction and list and fix the value of the corporate franchise, the county first assuming would have jurisdiction, and an action in that county will be a bar to any action in any other county in the state as to that particular franchise for the years named, and in order to avoid fragmentary jurisdiction the Clerk of the Court having jurisdiction of the case is required to certify the value of the franchise as fixed by the Court, to the Auditor of the State, who is Chairman of the Board of Valuation, and said board will apportion this assessment among the different counties in the state in which the franchise is operated.

A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. Sold by Henry W. Ray, Post-office Drugist.

A HAPPY MOTHER

WEATHERFORD, TEXAS.
May 14, 1908.

Before my baby was born I was in great misery. I was just able to be about but just as soon as I began to take Wine of Cardui, which had been recommended to me, I felt much better. In fact I feel that if it had not been for this medicine I would not have been strong enough to live through childbirth. But that was made comparatively easy by taking your medicine for four months before baby came. Wine of Cardui restored my health as I took it two months afterward. I cannot speak too highly of Wine of Cardui and I am glad to endorse it.

Mrs. C. E. Wood.
TREASURER, YOUNG MOTHERS' CLUB.

Wine of Cardui is a powerful tonic which acts on the generative organs of women, regulating menstruation and giving tone and strength to the organs which inflammation and weakness have affected. It cures nineteen out of every twenty cases of bearing-down pains or ovarian trouble. Wine of Cardui cures barrenness and aids the mother in conserving her strength for the ordeal of childbirth. After that event the Wine prevents dangerous flooding and helps mothers to quick recovery. Wine of Cardui is the one medicine a mother should use before and after childbirth.

Board of Education

The Board of Education met last night at the High School Building, President Clarence L. Sallee in the Chair.

Accounts for \$93.40 were presented against the White Fund, and \$20.80 against the Colored Fund, which were ordered paid, together with salaries for teachers and janitors.

The report of Treasurer Cochran showed receipts of White Fund for May \$5,973.91, expenditures \$1,373.84, leaving a balance of \$4,600.07.

Receipts of Colored Fund, \$8.40, expenditures \$287.15, showing amount of \$2,586.03 overdrawn on June 1st.

The Committee on Curriculum was granted further time to consider the elimination of Drawing and the substitution of Bookkeeping.

The Finance Committee was directed to go before Council and ask for necessary funds to pay June salaries.

Prof. Swift, so long a teacher in the Sixth Ward, who goes to Lexington, in taking leave thanked the Board for many courtesies.

A communication from Mr. John Duley, offering a lot in the Sixth Ward, belonging to the Christian Church, to the Board for school purposes for \$1,000, was referred to the Property Committee.

ELECTION OF TEACHERS.

A motion of Mr. Davis to re-elect all the white teachers at the old salaries was lost by a vote of 6 to 6, President Sallee and Messrs. Davis, Taylor, Hutchins, Yazell, Schwartz, Poyntz and Ryder at first voting for, and Messrs. Russell, Nesbitt, Calvert and Dawson against the proposition; but before the result was announced Messrs. Hutchins and Yazell changed to the negative, thus making a tie and defeating the motion.

Mr. Hutchins moved to cut each teacher's salary \$5 per month; and this was lost also.

Mr. Russell moved to suspend the By-Laws and drop the teacher of Drawing and German. Lost.

The salary of the teacher of Drawing and German was then fixed at \$60 per month; and Miss Louise Best was re-elected, President Sallee and Messrs. Davis, Taylor, Schwartz, Poyntz and Ryder voting for Miss Best; Mr. Hutchins for Miss Allyne Hamilton; and Messrs. Yazell, Nesbitt, Calvert and Dawson voting for Miss Florence A. Barkley. After the ballot, Mr. Hutchins changed his vote to Miss Best.

Misses Ella B. Metcalfe and Daisy G. Greenwood were re-elected Assistants in the High School at a monthly salary of \$70 each.

Misses Phoebe M. Waller and Hettie A. Broshers were re-elected Intermediate teachers in the High School at a salary of \$60 each per month.

Mr. Clarence Martin was re-elected Principal of District No. 1 at a salary of \$65 per month, and Misses Belle Golling and Jessie Yancey Assistants at \$45 each.

Mr. J. Arthur Mitchell was re-elected Principal of District No. 2 at a salary of \$65, with Misses Florence G. Wilson and Nettie B. Roe Assistants at \$45 each.

Mr. William T. Berry was re-elected Principal of District No. 3 at a salary of \$70, with Miss Lizzie Cartmell at \$55 and Misses Sallie Burrows and Eleanor P. Wallace Assistants at \$45 each per month.

Mr. George H. Turnipseed was elected as Principal of District No. 4, in place of E. Swift resigned, at a salary of \$65, with Misses Sue Grant and Bessie A. Martin as Assistants at \$45 each.

Those who voted for Mr. Turnipseed were President Sallee, Messrs. Taylor, Yazell, Russell, Schwartz, Poyntz, Nesbitt, Calvert, Dawson and Ryder. Mr. Davis voted for Mr. Hart of Flemingsburg and Mr. Hutchins voted for Mr. Ryan of Mt. Carmel; and Mr. Turnipseed has probably to thank a fool friend who wrote to several members for his failure to receive a unanimous vote.

COLORS SCHOOL.

The "ting of war" came in an attempt to elect a Principal of the Colored High School, C. W. Reynolds, the present incumbent, and T. Augustus Reed being placed in nomination, and the salary fixed at \$60 per month—a reduction of \$10 per month.

The first ballot stood thus—
For Reynolds—President Sallee; Messrs. Davis, Taylor, Schwartz, Poyntz, Dawson—6.
For Reed—Messrs. Hutchins, Yazell, Russell, Nesbitt, Calvert, Ryder—6.

And for twenty-eight successive ballots the vote stood just the same.

Finally, further voting was postponed till the next meeting, Monday evening, June 7th; at which time the election of other colored teachers will be attempted also.

Mr. Russell offered two resolutions—one to abolish the Colored Advisory Board, and one to abolish the requisite of a state certificate for teachers—both of which lie over till next meeting.

And the Board adjourned.

GREAT SNAKES!

An Escaped Member of a Show Now at Large Here

Had the female portion of the residents in Second between Sutton and Court streets known yesterday morning that they had for a near neighbor a six-foot snake it is doubtful if one of them had remained five minutes in that vicinity.

No doubt the mere thought of such a contingency even now causes them to shake like one with a chill.

It is a fact, however. The room in which the reptile was captured had been occupied for several days by a snake show.

There were hundreds of various species and size—from an ordinary snake to those of the boa family.

This one had escaped from its keeper, and on yesterday afternoon, when the room was being cleaned of the lumber and straw left by the recent occupant, it made its presence known, much to the terror and consternation of the workmen, who hastily beat a retreat and held a council of war on the pavement.

His escape was finally captured by Mr. Andrew Thomas of the East End who put it in a box and took it to his home.

Last night he placed the box containing the snake in his coalhouse, and this morning on going out to see how his pet was getting along he was somewhat surprised to find that the reptile had made its escape.

It is said the entire population of that part of the city is considerably excited and are out in force with clubs and other death-dealing implements hunting the snake.

GO RIGHT AT IT

Friends and Neighbors in Maysville Will Show You How.

Get at the root of the trouble. Rubbing an aching back may relieve it, But it won't cure it. You must reach the root of it—the kidneys. Doan's Kidney Pills go right at it: Reach the cause; relieve the pain. They cure, too, so Maysville people say. Mr. W. L. Nicholson of 14 Court street, employed by Russell & Spns. grocers, says:

"The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective relief of the trouble. I procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, on the advice of a friend, and the results obtained were so satisfactory that it is a pleasure to recommend the remedy to others whenever opportunity is offered."

The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

home of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

"I humbly thank you for the good your medicine has done for me, after suffering for four years with nervous and heart trouble. I would have spells when I would drop down anywhere and would remain unconscious for as long as 24 hours at a time. The doctor said it was a hard case of dropsy and something that could not be cured. I heard of your remedy and took it according to directions and found relief with the first bottle, so I continued it until I had used six bottles and now I am well and able to do a good day's washing, which I could not do before. I can't thank you enough for what your remedy has done for me, and I recommend it to all who suffer, as it is worth its weight in gold to sick women."
